March into Sex Madness

It didn't take long for Kandie and me to become good friends. Friends with benefits. I was never a fan of college football, or any football, until she invited me in. And I came.

Kandie and I met a couple years ago at a large corporate meeting in New Orleans. She had only been with the company for six months and was a little scared at her new job. But she learned quickly and fit into her job nicely, and so recently got a promotion. At only twenty-three. I came to learn that she was a bit of a 'wunderkind' in high school and college. She was in charge of talent and as a recruiter she'd meet all sorts of people and interview them for positions. This is quite the same as Human Resources, but we don't call it that. She had been with her boyfriend for three years and finally tied the knot. I'm in another department and didn't really know her that well, so I didn't go to the wedding. It turns out that they purchased a large townhouse in the same complex I live in. I didn't know this until I saw her one day at the clubroom.

She was setting up a small party to watch the college basketball playoffs. I happened to be walking through to go to the workout room. She was in a short flowery summer dress that showed off her long legs. It also framed her bust nicely and I noticed how full it was. At the office, the clothes we must wear are not very

flattering and she's often in a suit coat. She looked so hot today. I had a crush on her right away. We would pass each other in the hallways at the office and even had some joint meetings, but everything was strictly on a professional level. But that didn't stop us from giving welcoming smiles to each other every time we ran into each other. She mentioned that her husband was away for a couple weeks on calls to Houston and so she invited some friends to come by and watch the games with her, hinting that she didn't like being alone.

She invited me to join in. The games were on Friday, Saturday and Sunday, and she had reserved the clubroom for those three days. I said I'd love to, even though I wasn't a big basketball fan. She said she wasn't either, but she wanted to show her husband that she had an interest in them since he was such a big fan. He even wrangled some tickets to a Rockets playoff game while he was there. We talked for a few more minutes and I headed off to do my workout, telling her, I'd love to come and maybe I could even help her set up, if she needed some. She smiled at me and shook my hand. Then went on with her setup.

The next day I went to the clubhouse at three, a little before the guests were to arrive. She said they were going to be as much as an hour late since Friday is still a workday, so we spoke about our jobs, life, men, etc. She asked me if I had a boyfriend since I wasn't wearing a wedding ring. I told her that I didn't, that I was gay and she seemed surprised. But she didn't have any apprehensions, giving me an approving smile. I could sense a curiosity in her smile and a twinkle in her eyes. We smiled and continued talking. After a few more minutes, her smile turned sensual and I felt like she was looking at me differently. Soon, my sexuality was the topic she'd often bring up. Every time she did, I could see that she was enjoying it. Then, in a hushed voice, she revealed that she had 'experimented' in college. You know... 'gay-for-a-day.'

Her guests started to arrive around 4:30, and by 5 they were all there. Three couples, Kandie and me. We watched the games and ate and drank and two of the three teams we wanted, won. The party ended as the last game clock wound down and the players were being interviewed. She gave me a big hug for helping and I could feel her full breasts against me. Kandie and I cleaned up a little and headed back to our homes about 10 that first night. It had been a great evening, and all I could do was think of her as I laid exhausted in my bed.

The next day was Saturday and the games started a little earlier. The same couples came and by now, we were all pretty boisterous. Today, the games ended about eight and the mess was a little bigger. Again, I stayed and helped her tidy up and realized that I was getting more attracted to her. But she was married and her experimenting days were behind her. So I tried to keep it as friendly as possible. Besides, I was sure that some of the curiosity and interest she showed in me was because of my gayness. But deep down, I felt that she might be drawn to me too. We walked back to our homes that night and shared a long hug as our paths diverged.

Sunday came around and only two of the three couples showed up. While the games were exciting, we were all losing interest and after the second game, the two couples went home. Kandie and I cleaned up once again, but this time it was easy. I held a big trash bag open and she slid all the garbage into it and we were done in a half hour. Since it was still early, Kandie invited me to her home for a glass of wine. Initially I refused because we had work the next day, but she sweet talked me into it. Her townhouse was a little larger than mine and very nicely decorated. I saw a little of each of them in the furnishings. She went into the kitchen while I sat on the sofa and kicked back.

She returned with two glasses of a nice merlot. I was very sure that she was checking my body as I saw her eyes moving up and down. She sat down next to me and we spoke about the games, the couples and other things. She told me that while her husband was away she appreciated me being around and keeping her company. I was listening intently and didn't realize that the glass was slipping from my fingers. It fell on my blouse and down my skirt. Apologizing for my clumsiness, she showed me to her bathroom. I took off my top and skirt and saw the reddish liquid all over my me. It glistened on my wet breasts, belly and thighs.

When Kandie knocked on the door, it opened slightly. She shoved a towel through the small opening. I took it, and in doing so, the door opened wider and I laughed and apologized again. She told me not to worry and she took a step into the bathroom. As she walked in, I could see her looking at me with a yearning in her eyes. She put a second towel on the sink and began to leave the bathroom. Then she turned around and walked back towards me with hesitation. I could see that she was trembling a little. She stood in front of me and looked at me. I didn't know what to do and just stood there in my wine soaked undies.

Kandie touched my neck and drew herself in closer. Then she ran a finger all

over my neck and chest. Then she put her arm around me and pulled me in to her gently and kissed me. After a few seconds, she let go and looked at me with a confused but expectant expression. I could tell through her eyes that she wanted me and hoped I would give myself to her. I kissed her in return. We kissed deeply. After a short moment, we let go. She put her arms around my waist and pulled me closer. I looked at her with a little concern and asked if she was sure she wanted this. Without an answer, she kissed my neck and told me she did. She looked into my eyes and slid her thumbs inside my panty and ran them around the elastic. I could feel her thumbs brushing against my mound and my butt. I looked at her and smiled. She slowly pushed me towards the sink counter and made me sit on it. It was obvious she wanted to be in control, and I liked being controlled.

Her hands were warm and I could feel them caressing my shoulders. Our eyes and lips were finally at the same level. Then she kissed my neck and started going down. When she reached my cleavage, she pulled down my bra a little and kissed me between my breasts. Then she started licking the remaining wine drops on my boobs, undoing my bra as she did. She leaned down a little more and kissed my breasts and then my nipples. And then sucked on them and I moaned softly and encouragingly as her tongue swirled around them. She continued to suck, kiss and gently bite. All I could do was to enjoy. Then she got on her knees and licked my leg and I played with her hair. She traced the trickle of wine from my thighs as she sucked and then bit me on her way up. I lightly shrieked and she hesitated. She sensed that I liked it. I love it when women nibble on me.

Her head moved down between my legs and she continued to bite and suck. Finally, she kissed my pussy over my wet panty. She then she got up and pulled my panty down. I squirmed on the sink counter and she straightened up, took my hand and guided me to her guest bedroom. She told me to lie down and made me watch her undress. I tried to lend a

hand but she gently pushed me back. Naked, she got in between my legs and we kissed. She held my hands apart and kissed my breasts as she slowly rubbed her pussy against mine. Finally put her finger inside. Those fingers were working inside me like a little orgasm machines. While she did this, she licked and sucked my clit. I came hard and she liked it. She gave me a few moments and then got back to work. She slowly spread my legs and held my thighs and started eating me again. I held her hair and pulled on it every time I shuddered.

She would spank my hips and butt when I raised it. It stirred my pelvis with electricity. When I told her that I was about to cum – she stopped. She made me get on my knees and made me lean my chest on the pillows. She kissed my nape and worked her way down my back. When she reached my ass, she again nibbled it. Then she spanked my ass, first gently and then a little harder. She licked my cheeks, my crack and kissed my rosebud. She gently tongued inside hole and slid her finger inside. At first it hurt, but slowly loosened me up and kept fingering me at a steady pace while she continued to mouth my pussy and finger it with her other hand. It was so good that I began to moan loudly. Harder and faster her hands and mouth worked, especially inside my pussy. She was building me up to a big climax.

Then I came so hard that I screamed loudly and my juices squirted on her face. She spanked my ass hard one last time and then made me lie on my back. She licked my juices flowing down my thighs and licked my pussy clean. Slowly she lay between my legs and kissed me. I kissed her again deeply. Then she raised her head and gave a naughty smile as I gave her a shy smile. I was hers from now on. She kissed me again and pulled a cool sheet over us. She lay on me. Her controlling body on top of mine. Our sweats mingling together. Her head on my breasts, her stomach against mine, and her waist between my legs. As she slept on me, I slowly fell asleep myself.

A close-up photograph of a person's lower body and hands. The person is lying on a surface with a yellow and white patterned background. A white, textured towel or cloth is draped over their legs. Their hands, with gold-painted fingernails, are positioned near their groin area. A red, translucent object is visible near the person's groin. The text "Blair Williams" is overlaid in the bottom left corner in a stylized, cursive font with a white outline.

A woman with long brown hair is smiling and posing on an orange couch. She is wearing a blue and black patterned halter top and pink underwear. She has a tattoo on her left shoulder. The background features orange and red curtains. The title "Penny Flame" is written in a stylized red font with a white outline.

Penny Flame

Penny hired a plumber to fix a broken pipe in her bathroom. He told her that all the pipes in the bathroom needed to be completely replaced so he would have to charge her more than what he initially quoted. Penny was mad and tried to reason him but he wouldn't budge. With no choice, and still needing her pipes fixed, Penny seduced him with her body and sex and got the pipes fixed.

REMEMBER THIS FOR YOUR DREAMS

877-995-5465

MUST BE 18+

He brought the right tools

Recently I've been day-dreaming of this girl named Midori from across my street and every time it's been about sex. The most recent one was she was bent over on her hands and knees and I pushed my dick into her tight pussy, hard and fast making sure to slap her ass as well as pump her pussy full of my cum. The day-dreams were becoming almost obsessive, so today I figured I would walk around town and just try to get the thought out of my head. Since I had a girlfriend, I never really tried doing anything that would hurt her. I'm a pretty good looking guy with dark hair and green eyes. I think I'm pretty well endowed – let's say about 8 inches on a good day.

I was walking out of my house and I crossed the street when I saw a girl walking ahead of me who looked so fucking sexy with her black hair, shorts, tight body; she looked about 5' 3". Then when she turned around, I noticed it was the same girl I have been having my fantasies about.

I slow down my pace a little to watch her body as she walked from behind. She had a nice firm little ass from what I could see. Then came my chance to look at her. It was a traffic light, so we both stopped. I went to look at her and I noticed she was looking at me. She tapped my shoulder and asked "Do I know you from somewhere?"

I said "I think I have seen you around."

We started walking and talking, getting to know each other better. She said she works at a local restaurant, and before that she worked at a hotel front desk. As I listened to her talk, for some reason we kept looking at each other. By chance, once we caught each other off guard and stared into each others eyes. She started to blush which made me blush and since then we stood a lot closer than when we first met that morning. She had invited me to have dinner with her at her house and what came to mind was I can't blow this! "Don't be late." she said.

I showed up promptly at six and she took me into her house holding my hand. I had brought the wine and helped her make dinner. By the end of dinner we were laughing and flirting a lot. We talked about our love lives and she said she was single. I told her that I had a girlfriend, we didn't live together, and she wasn't exciting me anymore."

I helped her clean up the table and take the dishes to the kitchen. She said she was going to do them real quick because she hated dirty

dishes lying around. I told her I was happy to help her and we finished in no time. We retired to the living room and sat kinda close on the sofa. She said she wanted to thank me for helping cook and clean, and as soon as she ended that sentence she put her hot steamy body on top of me and started to rub her pussy against my already hard dick. She said "I have wanted to get fucked for a while now by a good guy, who's sexy and likes to be attentive. With a huge grin, I told her I was the one.

I began to talk off her clothes as we were making out. First her shirt and bra, then I put my mouth on her nipples and sucked on them gently. Then her skirt and panties came off and I started to rub her clit and pussy with my hand. I stuck a finger into her pussy and slipped them in and out fast easily since she was so wet.

Then I took off my shirt and she began to take off my pants and when my thick 8 inch dick came out, she began to suck on it and kiss it making me wanna explode in her mouth right then and there but I tried to hold back and get to fucking her. I moaned loud and said I was going to cum. She said she wanted to taste me so, I let go long ropes of liquid jizz as I came. So much so that some of it landed on her face and boobs. I was still hard after seeing her like that with cum all over her.

She got on her hands and knees and told me that she wanted me in her pussy. As I entered her, all I could think about was how unbelievable my day-

She's still in a doggy position and turns herself back around so her butt's facing me. Midori's asshole is winking at me. I laugh and she giggles softly and passionately saying she would like her ass fucked. Slapping her ass with my hand she responds with a slight whimper. I tell her to spread her legs. She obeys. Her ass feels good as I rub it feeling the smoothness and firmness under my hands. I dip a couple fingers into her moist pussy and rub them around the brown flower and push one into her asshole and take my position behind her. She is aching to be fucked again.

Midori braces for my anal intrusion and tells me she loves the feeling of my cock as it enters her ass. The initial pain feels good to her she says, she enjoys it. Then I give it to

dream was cumming true right now! So I pushed into her tight, wet pussy and began to fuck her hard and fast. She began to moan and cry out that she was cumming. I started to slap her ass to make her moan even more. I could feel that I was going to cum again and I shot another load into her tight pussy and she moaned so loud I swear the neighbors could hear her.

Now that Midori had cum, I watched as my cream from her pussy slid down to her asshole. Then she takes my semi-erect cock and pulls it into her mouth licking and tasting all that had just happened. I push it into her mouth, her nose presses against my stomach and she gags.

her. My cock slides into her lubed ass easily. She throws her head back and sucks in air. I am gentle immediately, but after a few strokes she demands I fuck her harder. I am now shoving my cock balls deep in her ass - I spit on my cock to help it slide in easier. I'm slamming into her ass now, very hard. I yell her to play with her clit and my balls while

asshole over and over again for about 10 minutes, she is clearly needing to cum, her pussy is dripping clear liquid and her asshole is now very open. I put my hands on her cheeks and pull out to see what I

I put my finger to my lips telling Midori to be quiet. She mimics me and giggles. After I hang up, I tell Midori that I have to leave in an hour. I had promised my girlfriend we'd go to her mother's house. Midori takes my phone and puts it on the floor. She tells me that I pulled out of her as too soon and she didn't cum. Is that any way to deny a lady \

have done to her – her hole is open and I can see the pink walls of her rectum as it opens and closes in spasms. Midori's fingers are still working her clit and her breathing is heavy. Back in her ass I go again. She squeezes my swollen balls and I moan in pain and pleasure.

My dick was begging to go limp but she saved it by talking dirty with me. I pulled out and flipped her over on the sofa on her back and once more pushed my dick into her pussy and fucked her harder and faster than I did before. I picked her up by the legs, with my cock still inside her and pumped into her more and more, fucking her ever harder and faster.

Soon, her pussy blasted out her cum. It got on me, on her, on the floor. Then she lays back on the sofa, hands behind her head. Her boobs look great and her clean-shaven mound is glistening from the workout we just gave it. Then to my surprise, and delight, she says that she's found the perfect guy to fuck her. I sit on the edge feeling like an amazing bastard – until my phone rang and I looked at it, it was my girlfriend!

This time she tells me to sit down and she'll ride me. She gets up and comes over to rub my cock back to full erection. Even with a couple climaxes, I'll still ready and willing. I can only hope she finishes within the hour. She backs into me, reaches between her legs and pulls my cock right into her ass. She sits down on it and wiggles her ass down on me even harder. She does not let up bouncing on me with her ass during her orgasm and continues fucking me with it. Ten more minutes or so go by and I am starting to feel another orgasm building. Midori senses it and tells me she feels my cock swelling in her ass. I whisper asking her if she wants me to cum in her ass or would she like it in her mouth? Her answer does not matter to me, and she, in fact cannot even form a response. Her ass is being punished by my cock and she is overwhelmed right now.

After a few more minutes of fucking I pull out of her ass and have her kneel in front of me – plunging my cock into her mouth. It is hot from her ass. She allows me to push it in to her throat. I pull out and she licks at the base of my cock and my balls, savoring the flavors of her pussy and ass. I grab her head now and fuck her face as I feel my cum rising - I pull out a bit and cum hits the side of her face, she opens her mouth wide and sticks her tongue out like a good cum licker. I release my cum into her mouth – it feels very good but she is not swallowing just yet. She rolls my cum in her mouth tasting it thoroughly – then swallows it with her eyes closed. A very satisfied smile comes to her face.

She is spent, I am spent. I sit for a bit to regroup and clean up. Then leave her house an hour and a half after my girlfriend's call. I think the last few hours were going to be the better part of my evening.

When I left home a few years ago, The economy was bad and the guys were trying to find work or worked long hours if they had work. I had only been with a couple guys throughout my entire life. So I move to the West Coast and now I call it the 'Wet Coast' because my pussy is constantly wet. There are so many guys out here with nothing but time on their hands and always ready to fuck. I think I like the West Coast better.

When I decide to bed a guy, I promise him that it's going to be an experience he won't forget. I have a large mouth, and a small pussy, and a really tight ass, and I know how to use them all. No has left my bed unsatisfied. Sometimes it's to get my way. Sometimes it's to please the guy. And sometimes it's just to make me some honey. Whatever the reason, I love having hot sex.

My first sexual encounter was with my college professor. I know, I shouldn't have fucked him, but he was so hot standing up there talking about Economics. It was late in the year and it didn't affect my grade. At least that's what I tell myself.
